How to start tutoring

The image shows two screenshots of a mobile application interface for starting a tutoring session.

Screenshot 1 (Left): The screen displays a "Tutoring" section with the time 6:46 at the top. It features a large button labeled "Tap to start searching learners!" with a green background. Above the button, there is text: "Let's start your lesson! Get points by talking with learners!" and an illustration of a globe with icons representing different countries and a smartphone displaying a person's profile. Below the button, a progress bar indicates a "Matching probability" of 80%.

Screenshot 2 (Right): The screen shows an incoming call from a learner named Taro, with the time 8:48 at the top. The learner's profile picture is shown, along with a 5.0 rating and language levels: Japanese Mother Language, English PreIntermediate, and Chinese(Simplified) Intermediate.

Central Text: The text "ビデオ通話着信 Incoming call" is displayed between the two screenshots.

Step 1: "① 学習者を募集"をタップ
① Tap "Tap to start searching learners!"

Step 2: ② 応答して授業開始。1分=1ポイントで計算され、手数料10%を引いた分を獲得できる
② Accept call and start your class. 1 point/min will be paid after subtracting 10% fee.

Note: *オンライン状態になり、学習者ユーザはビデオ授業を開始できるようになる
*Other learners can start video call with you after switched to online
